LEGACY BRIDGES
FOUNDATION INC.

Epilepsy & Seizure Support

Dear Friends,

On behalf of the Legacy Bridges Foundation, Inc. Champions, I am thrilled to announce our 2nd annual fundraising event where we will raise awareness of epilepsy and other seizure related disorders, while highlighting seizure first aid response within the community. Additionally we will celebrate the outstanding work and achievements of our most dedicated supporters; individuals and organizations who have made a positive impact in service to Inland Empire communities. The event will take place as follows:

Event: Bridging The Gap (BTG 2.0) Topgolf Fundraising Brunch

Date: Saturday, March 2, 2024

Time: 10:30am - 1:30pm

Location: Topgolf 1050 N. Archibald Ave. Ontario, CA. 91764

The proceeds of this year's fundraising event will go towards our social recreation and outreach program which creates a supportive and inclusive environment where champions build friendships, develop teamwork and communication skills, boost self-confidence, alleviate stress, and enhance their emotional and mental health. I am writing to seek your support as a sponsor for this noteworthy cause.

The Legacy Bridges Foundation, Inc. a 501(c)3 non-profit public benefit corporation founded to support individuals, families and caregivers of individuals living with epilepsy and other seizure related disorders. Our mission is to raise awareness of the neurological disorder that affects every 1 in 26 individuals, shine a light for the many individuals and families impacted, and partner with other great organizations to find a cure.

To ensure the success of this event, we are seeking sponsors who share our commitment and dedication to educating and empowering those of the Inland Empire communities and beyond. Your generous contribution will not only support a meaningful cause but will also provide valuable marketing exposure for your company.

We offer several sponsorship levels to suit your desired level of involvement. Enclosed with this letter, you will find our sponsorship package detailing the benefits associated with each level. By becoming a sponsor, your company will enjoy prominent branding opportunities, public recognition, and exposure to a wide audience composed of epilepsy champions and their families, community leaders, and local business owners. Additionally, your support will be acknowledged through our event website, social media platforms, press releases, and event signage.

As a sponsor, you will also receive complimentary player spots, allowing you, your colleagues, or clients to participate in this exciting opportunity. The day promises to be filled with friendly competition, networking opportunities, delicious food, and fabulous prizes. We kindly request you to consider sponsoring our golf fundraiser and make a lasting impact on the Legacy Bridges Foundation and the many individuals and families we serve. Your support will enable us to continue our important work and positively influence the lives of our champions, families and community members.

I would be delighted to discuss sponsorship opportunities further, please feel free to contact me via phone at (951)374-0933 or via email at admin@legacybridgesfoundation.org. We truly appreciate your time and consideration. Thank you in advance for your support and partnership. Together, we can make a real difference within the Inland Empire communities and beyond.

Sincerely,

Melanee A. Stovall
